Rentals in Ketchikan for Gear

You do not need to pack or purchase items from the list above. Perhaps you don't want to bring all your gear with you to Alaska. Check with [Alaska Wilderness Outfitters](#) in Ketchikan on providing the gear you'll need for a comfortable cabin stay. In addition, we highly recommend renting a satellite phone. Rentals with dockside delivery are available through Advanced Communications in Ketchikan. Call Advanced Communications at (907) 225-8877 or email them at office@advcom.com and mention you are flying to your cabin with SeaWind Aviation. Please do not hesitate to contact us via [email](#) or phone (877) 225-1203 if you would like our personal recommendations or need help coordinating the logistics. We are here to help make your remote Ketchikan cabin adventure a memorable experience!
